March 29, 2022

Dear Parents,

The registration process for the Religious Education 2022-2023 school year will begin in April. Class assignments are processed by the date the registration and payment are received. If you need a specific day and class time, please send in your registration with your payment as soon as possible since class sizes are limited. Please see the revised registration fees on the enclosed sheet and note that there is a late registration fee for any families registering after September 1<sup>st</sup>.

We have simplified and added more In Person classes to the calendar. Classes will begin the week of September 26 and end the week of May 15 to ensure more In Person classes taught by a catechist. In person classes will be held every other week except during holidays which will be noted on the calendar which you will receive in September. Grades 1-3 will attend one week and Grades 4-6 on alternate weeks. Grade 7 and Grade 8 will alternate in person classes every other week.

Class assignment letters and calendars will be mailed home at the beginning of September. For the 2022-2023 school year our program will offer the following options:

**Option 1: Parish/Family Model**

**Grades 1-8** - Students will attend In person classes at the parish center taught by a catechist every other week except on noted holidays. There will be approximately 14 In person classes at the Parish Center and only 1 at home lesson per month. The At Home monthly lessons will be carefully outlined and emailed to you monthly.

**Option 2- Home School Model -Grades 1, 3, 4, 5, 6 only**

Children will be taught at home for all sessions. All required assignments, including an end of year assessment, are to be submitted electronically through the Christ In Us website.

Lesson outlines will be emailed to you approximately 5 times per year.

All grade levels will be using Sadlier Religion Christ in Us series (both textbook and digital resources).

We ask you to consider being a catechist or co-catechist for your child's In Person class for the upcoming year. Our classes are kept small and therefore our need for catechists is great. We provide all materials and training.

Thank you for your continued support and for sharing your concerns as well as your positive feedback with us during this past year. It assisted us in planning for the upcoming year. Please do not hesitate to contact the Religious Education Office with any questions.

Sincerely,

Fr. James T. Donovan, S.J.  
Pastor
